

# Logging in as a guest with 15 digit account number structure

AVR uses **3 validation and verification points** when signing up for online use.

1. Entire Account Number
2. Name
3. Numeric Portion of Service Address

\*Your Service Address may be different than mailing address

The example below shows on the utility bill where the account number structure is located. You must include the 5 digits, the dash and 10 digits to successfully sign up.

ACCOUNT NUMBER

20710-3090053001
